FINAL DENIAL OF APPLICATION FOR REGISTRATION

Dear Registrant:

The Department of Pesticide Regulation is denying your application for registration. The public comment period of the proposed decision is complete. You have not corrected the deficiencies. Therefore, the denial of your application for registration has become final. We are returning your application and label with this letter. Please do not apply for registration without providing **all** of the required items, and a new application fee:

1. Six hard copies of your final printed or printer's proof labels for font size verification that is Title 40 CFR § 156.10(a)(2).

When responding, please include the DPR tracking identification number (ID#) listed in the upper right corner of this letter. If you have questions, please contact me.

Sincerely,

Brenna McNabb
